

MADE SMARTER

Yorkshire & Humber

**Are you an SME in need of some digital innovation?
Why not consider a funded digital internship
with Made Smarter - Yorkshire & Humber.**

The Made Smarter programme is a national, government-backed initiative offering funded 3-month digital internships designed specifically for UK manufacturing SMEs.

These internships can provide:

- ✘ Access to top graduate talent
- ✘ Support with digital transformation and innovation
- ✘ Increased productivity through fresh ideas and digital tools
- ✘ Regional talent retention — many interns go on to join the companies they support.

Whether you're looking to improve systems, adopt new technologies, or explore automation, a Made Smarter intern can help take your business to the next level.
